25X1

1. [REDACTED] CI Staff/DDP, and [REDACTED] Deputy Director of Security (IOS), members of the Overflight Pilot Selection Panel, were separately briefed regarding [REDACTED] on 3 January and 7 January 1969, respectively. They both were afforded an opportunity to review Subject's OSA file. It was explained that the Subject has satisfactorily completed extensive physical and psychological examinations as well as the full security investigation. The security investigation included a favorable polygraph examination.
